

CORRIGENDUM NUMBER 7 - EXPLANATORY NOTES NUMBER 2 / Dated 22-May-2015

The following explanations are provided to the Bidders for the mentioned Request for Proposal (RFP) document.

Sl. No.	Page No.	Section No.	Clause No.	Actual Clause in RFP	Clarification Sought	Response
1.	229	13	13.7.19	SAN Switch	It seems, it is over sized for the current requirement for the given IDMS application RFP. Can bidder suggest appropriate SAN switch which suits the solution requirement?	Minimum has been specified and bidders may adhere to them.
2.	231	13	13.7.21	Server Load Balancer	Can vendor provide application based load balancing to meet the solution requirement?	Hardware appliance is essential. Hence, The tender clause remains unchanged.
3.	234	13	13.7.22	Database Encryption	Can vendor provide encryption at database application level rather than an appliance solution?	Hardware appliance is essential. Hence, The tender clause remains unchanged.
4.	NA	NA	NA	General	Kindly share DC / DR layout.	DC layout as per SDC. Bidder to propose DR layout at Madhavaram.
5.	NA	NA	NA	General	There is no IBMS specifications available in tender.	In case minimum specifications for a particular equipment are not available, Bidder may propose one to meet the requirements of the RFP.
6.	NA	NA	NA	General	As per Corrigendum and RFP, electrical scope is not clear so please clarify the same.	The Electrical scope in this contract will be limited to professional electrical works for equipment procured under this contract.
7.	237	13	13.7.25	VPN Concentrator	There is no such devices called VPN Concentrator in HA Mode (Pont#14) in the Market now and the same could be changed as Either SSL VPN Solution or UTM	VPN concentrator is available in the market. However, the bidder can provide VPN solution to meet the tender requirements.

					Firewall as accordingly	
8.	124	12	12.43	In the event of termination of this contract due to any cause whatsoever except 12.42 (Termination for Convenience), the SI shall be blacklisted and the empanelment will stand cancelled effective from the date of termination of this contract.	Request department to de-link blacklisting as a consequence in the event of termination.	Blacklisting as a consequence of termination of contract under certain circumstances defined in the RFP may not occur in the normal course in the case of a reputed SI.
9.	NA	NA	NA	General	It is requested to kindly check if Implementation Time Frame can be shortened a bit and payment milestones are made bit more positive for overall sustainability to enable one and all further.	Bidders are free to propose a shortened time frame for implementation. It is confirmed that for the duration of implementation, payment will be made based on the milestones as per the RFP and the corrigendum. In case the SI is able to go live before the timelines in the contract, such earlier dates will be considered for the milestones without any prejudice to the Bidder.
